

PE

PE and Sport has been very successful this year again at St Alban's Catholic Primary school for a number of our pupils who have had the opportunity to represent school at some point for competitions out of school or intra school competitions within year groups.

The Sports funding has had an impact and below you can see the impact it has had on our school and pupils, also how we as a school are finding ways to sustain this success long term.

This year's sporting success at St Alban's:

Year 6 Football team – 9 a side Cup and League Winners
- 7 a side semi-finalist
- Catholic School Games Winners

Year 6 Girls Futsal – 5 a side Winners

Year 5/6 Basketball Team – Runner's up (Derby City Finals)
- 4th In Derby County Tournament

Year 4 Futsal – Bronze award

Year 3/4 Hockey (QuickSticks) – Winners

Kurling and Boccia Plus teams

KS1 Gymnastics competition

Swimming Gala at Repton

This year we have also provided the pupils from our school with lots of different extracurricular activities throughout the year, if you see the attached Excel document it shows pupils have had various opportunities in a wide range of sports. This has given our pupil premium children lots of opportunities.

We used the funding (2017-18) to provide Dance to KS1 and KS2, a specialist came in for the year to provide a block of work up to 6-8 weeks with each class. We linked the dance theme to a topic the class were learning about so that we could reinforce the learning even more. This has continued this year though the PE specialist delivering the Dance.
